

2019 MEMBERSHIP DRIVE

FACA provides a forum for county attorneys and their assistants to develop professional friendships, discuss current and future issues, and provide mentoring opportunities, continuing legal education, and advice and advocacy on statewide legal issues.

EXCLUSIVE MEMBERSHIP BENEFITS

- **FREE TO MEMBERS:** Annual FACA CLE seminar (13 CLE hours, including General, Ethics, Tech and CCLG certification credits) and the FACA Mid-Year CLE seminar (4.5 CLE hours and CCLG certification credits)
- Easily obtain your 30 general credit hours in a 3-year cycle by attending the FACA Annual and Mid-Year CLE seminars for **FREE**
- FACA members also enjoy the privilege of the FACA Forum Listserv and a [website](#) dedicated to local government law resources, including a new Emergency Management Plan for counties preparing for and/or recovering from natural disasters. The listserv alone is a great communication and information sharing tool, so don't miss out of this great resource!
- FACA members also have the benefit of a Mentoring Program. One aspect of the Mentoring Program consists of the New Assistant County Orientation, which is available bi-annually in the even-numbered years - covering a comprehensive introduction into public records, ordinance drafting, sunshine law, county government, quasi-judicial v. legislative and home rule.
- Four practice area Committees: Growth Management, Public Safety, General Governmental and Finance & Tax. There have also been two ad hoc task forces active in the last couple of years —Cell Tower-ROW Task Force and the Medical Marijuana Task Force along with the subcommittee, Tourist Development Tax Subcommittee. The Committees and task forces are a great way to get involved and work collaboratively and network with your peers around the state.
