

CRC Proposal Tracking

Proposals Affecting Counties

P 13: Local Government

- Proposal by Commissioner Timmann
- Synopsis:
 - Prohibits county charters from (1) abolishing any of the offices of county constitutional officers; (2) transferring the duties of constitutional officers to another officer or office; (3) establishing the length of the term of office; and (4) establishing any manner of selection other than by election by the electors of the county
 - Applies to all county constitutional officers: sheriff, tax collector, property appraiser, supervisor of elections, and clerk of court
 - Requires the county clerk serve as ex officio clerk of the Board of County Commissioners unless otherwise provided by special law approved by vote of the electors or if provided by general or special law.
 - Takes effect January 5, 2021 but governs qualifying and holding the primary and general elections for county constitutional officers in 2020.
- FAC Analysis: This proposal would limit the authority of county charters to provide for the selection of county constitutional officers as well as the authority to abolish county constitutional offices or transfer duties to another county office. FAC is working on an in depth analysis which will be provided to CRC staff.
- Referred to: Local Government; Ethics and Elections
- Action: Reported favorably out of the Local Government Committee on 11/1/17

P 28: Judiciary, Funding; Clerks of the circuit courts

- Sponsored by Commissioner Coxe; (Co-Introducer) Commissioner Martinez
- Synopsis:
 - Amends Section 14 of Article V to require counties to fund the cost of communications services for public defenders' offices, state attorneys' offices, and the offices of the clerks of the circuit and county courts performing court-related functions
 - Amends Section 14 of Article V to require the state, rather than counties, to fund the cost of communications services for trial courts.
 - Defines communications services as "all technology"
 - Amends Section 16 of Article V to designate the clerk of the circuit court or county court as the official records custodian for court records

- FAC Analysis: This proposal clarifies the technology in court related offices which a county is required to fund and specifies that the state, rather than the counties, are responsible for funding all technology in the trial courts.
- Referred to: Judicial; Local Government

[P 39: General Provisions; Ethics in government; Judiciary, Ethics in the judiciary; Prohibited activities](#)

- Sponsored by Commissioner Gaetz
- Synopsis: amends Section 8 of Article II and Section 13 of Article V and creates a new section in Article XII to establish certain restrictions for specified public officers and employees regarding the personal representation for compensation of another person or entity before certain governmental bodies.
- FAC Analysis: Would prohibit a county officer from personally representing another person or entity for compensation:
 - before his or her governing body for a period of six years following vacation of office.
 - Before any federal agency, the legislature, any state government body or agency, other than judicial tribunals; or any political subdivision of the state during his or her term of office
 - Would not prohibit a county officer from representing his or her own agency before any other governmental entity in the normal course of his or her duties.
- Referred to: Ethics & Elections; General Provisions

[P 49: Miscellaneous](#)

- Sponsored by Commissioner Gainey
- Synopsis: creates a new section in Article X to establish the rights to certain death benefits to the survivors of specified first responders and military members
- FAC Analysis: This proposal would require a county to pay a death benefit to either a specified beneficiary, surviving child, spouse, or parent of a county first responder, law enforcement officer, correctional or correctional probation if the death occurred while engaged in the performance of their official duties.
- Referred to: General Provisions; Finance & Taxation

[P 51: Miscellaneous](#)

- Sponsored by Commissioner Newsome
- Synopsis: creates a new section in Article X to establish certain rights available to all electricity customers in the State

- FAC Analysis: Would give a county the right to choose the provider of its electricity service by selecting from multiple providers in a competitive electricity market or by producing electricity for itself or in association with others, and would prohibit a county from being forced to purchase electricity service from one provider
- Referred to: General Provisions; Executive

[P 56: Suffrage and Elections, Prohibition on expenditure of public funds for campaign spending](#)

- Sponsored by Commissioner Kruppenbacher
- Synopsis: amends Section 7 of Article VI to remove the requirement that a method of public financing for campaigns for statewide office be established by law and to prohibit the expenditure of any public funds on campaigns for state or local elections
- FAC Analysis: This proposal would prohibit a county from spending any public funds on campaigns for county elections
- Referred to: Ethics & Elections; Finance & Taxation

[P 57: Miscellaneous](#)

- Sponsored by Commissioner Kruppenbacher
- Synopsis: creates a new section in Article X to establish rights to certain death benefits to the survivors of specified first responders, military members, and public school employees
- FAC Analysis: This proposal would require a county to pay a death benefit to either a specified beneficiary, surviving child, spouse, or parent of a county first responder, law enforcement officer, correctional or correctional probation if the death occurred while engaged in the performance of their official duties.
- Referred to: General Provisions; Finance & Taxation

[P 61: Local Government, Municipalities](#)

- Sponsored by Commissioner Smith
- Synopsis: amends Section 2 of Article VIII to provide that any law enacted by the Legislature that restricts the home rule powers granted to municipalities must meet certain criteria
- FAC Analysis: FAC is working on an amendment to apply this proposal to counties in addition to municipalities
- Referred to: Local Government; Legislative

[P 62: Suffrage and Elections, Primary, general, and special elections](#)

- Sponsored by Commissioner Schifino
- Synopsis: amends Section 5 of Article VI to authorize a qualified elector who is registered with no party affiliation to vote a primary election ballot of a political party
- FAC Analysis: This proposal would affect partisan elections for county officers
- Referred to: Ethics & Elections; General Provisions

[P 65: Miscellaneous, Workplaces without tobacco smoke or vapor](#)

- Sponsored by Commissioner Carlton
- Synopsis: amends Section 20 of Article X to establish a general prohibition on the use of vapor-generating electronic devices in enclosed indoor workplaces
- FAC Analysis: This proposal would permit a county to adopt ordinances that impose more restrictive regulation on the use of vapor-generating electronic devices than is provided in Section 20 of Article X.
- Referred to: General Provisions

[P 92: Finance and Taxation, Unfunded Mandates](#)

- Sponsored by Commissioner Solari
- Synopsis: amends Section 18 of Article VII to revise and specify certain conditions required to be met before the Legislature may enact a law requiring a county or a municipality to spend funds, reducing the authority of a county or a municipality to raise revenue, or reducing the amount of state tax revenue that may be received by a county or municipality
- FAC Analysis: This proposal was submitted by Commissioner Solari on behalf of FAC and the Florida League of Cities. The intent of the proposal is to require heightened legislative procedures in order for a city or county to be bound by any unfunded state mandate. The proposal also calls for any unfunded state mandate to be reviewed and re-enacted subject to such heightened legislative procedures every eight years.

[P 95: Local Government](#)

- Sponsored by Commissioner Lee
- Synopsis: creates a new Section in Article VIII to limit the power of a county, municipality, or special district to regulate commerce, trade, or labor unless the regulation applies exclusively within the respective entity's own boundaries in a manner not prohibited by law

- FAC Analysis: Construed very broadly, this proposal could effectively preempt a county from regulating virtually any aspect of commerce, trade, or labor.
